

## WILL IRRIGATE GREAT TRACTS

Three Pumping Projects Are Under Way in Utah County.

### LAKE WILL FURNISH WATER

THOUSANDS OF ACRES WILL BE PLANTED IN FRUIT TREES.

(Special to The Herald-Republican.)  
Lehi, Aug. 13.—Three big pumping projects in the vicinity of Lehi are under way. A surveying party left this week to do the preliminary work for a pumping plant to be installed on the west shore of Utah lake about five miles south of Pelican point. In this vicinity Colorado capitalists have purchased between 6,000 and 7,000 acres of the state and will plant the entire tract with fruit trees. The water for irrigating the trees will come from Utah lake and be elevated by means of centrifugal pumps. The tract extends along the lake front for a distance of about four miles and about one and two-half miles back from the shore. Three stations will be installed, so that the water will not have to run for being applied to the land. The rights for using this water were sold to the Colorado parties by Abel John Evans and James H. Gardner, who made the application for it to the state engineer in behalf of the land owners of the Lehi fields. After fighting the case through the courts and winning, the farmers refused to use the water, but the locators, who did their work in the beginning gratis, in the end realized a good profit.

The Provo Reservoir company has made application for sufficient water to irrigate about 10,000 acres of land west of Lehi across the Jordan river and will commence the installation of their pumping plant at a point about one mile south of the Saratoga Springs as soon as the state engineer gives their application favorable consideration. The water for this tract will come out of Utah lake and be distributed through three canals, at elevations of 50, 100 and 150 feet above the level of the lake. About a quarter of a mile from the point of diversion is a hill several hundred feet high, to which the water will be pumped from which the water will flow through the three canals by gravity.

### AMUSEMENTS

#### Dustin Farnum in "Cameo Kirby."

Norah Shelby, who plays the role of the winsome and girlish Ann Playdell in "Cameo Kirby," which comes to the Salt Lake theatre next Thursday, with Dustin Farnum in a new role, is probably the best woman goffer in the theatrical profession. She invariably carries her clubs with her on the stage, and her exceptional ability, having been the original Miss Lucy in "Mrs. Wiggs of the Cabbage Patch," has since been being starred in the production of "Texas."

#### The Bungalow.

"The New Magdalen," a fascinating drama of society, will be at the Bungalow all next week. There is no doubt of the strength of this play, which has its prologue in scenes during the Franco-Prussian war, shifting to English homes in the first act. As Mercy Merrick, the Red Cross nurse, whose sad story is told, Miss Anna Cleveland is certain to strengthen the good impression which her many friends in Salt Lake have of her abilities. "At Valley Forge" will be given its last performance this evening, and there will be a matinee this afternoon.

#### Salt Lake Theatre.

The last two opportunities of witnessing "The Merry Widow" will be given at a matinee today and evening performance at the Salt Lake theatre. The house has been full at every performance, upwards of 10,000 people having attended the delightful opera, and the beautiful melodies have been echoed and echoed until the players have had to stop from sheer exhaustion. The orchestra has been a source of keen delight to every music lover, and the beautiful stage pictures have been among the best ever seen at the historic old playhouse. Those who miss "The Merry Widow" will deprive themselves of seeing one of the greatest stage productions of modern times. The company will go east from Salt Lake, playing a week in Denver.

Shop tonight at Walker's—store open until 9:30 to accommodate the G. A. R. visitors.

## OHIO SOCIETY KIDNAPS BAND

Buckeyes Take Possession of Payson Musicians and Whisk Them to Saltair.

The first wholesale theft of any consequence that has come to light since emancipation began was that of the Payson band on Thursday afternoon by the Ohio society and a party of veterans from that state. The entire band was kidnaped on Second South street while industriously engaged in fulfilling its contract with the music committee of the G. A. R. and whisked away to Saltair. At the beach the culprits were caught with the goods by Professor J. J. McClellan, who, in his official capacity as chairman of the music committee, was temporary owner of the Payson musicians.

The irrepressible Dr. J. J. Snyder, a live figure in local Ohio circles, glibly took the blame and gleefully related the circumstances, when confronted with a demand for explanations. His own band that the Ohio society had secured to accompany them to the beach had failed to show up, and rather than dispense with the harmony makers he had confiscated the first music making bunch he could lay his hands on.

As the Payson boys in nowise objected and as no one missed their absence in the presence of the hundred and one musical organizations that paraded the streets that day, the theft was overlooked by the music chairman and the Ohio society was allowed to retain temporary possession of their stolen band.

### NOTABLES IN RECEIVING LINE

Reception Given by Local W. R. C. at Commercial Club Largely Attended.

Nearly three thousand persons attended the reception given at the Commercial club last evening by the local Woman's Relief corps to the veterans and their wives and the visiting members of the women's organization. Cole, retiring adjutant general of the G. A. R.; Gen. C. E. Sulver of Nebraska; A. M. Trimble of Lincoln and Miss Ruth Young of Salt Lake.

### RICH AND IRWIN BALKY

But Nevertheless Wild West Show Will Continue Today at State Fair Grounds.

Despite the fact that Jack Rich and the Irwin brothers have pulled out of the Wild West show, the exhibition of early days on the plains will be presented this afternoon at the fair grounds. The original contract called for four days. Yesterday, however, J. C. Leary, the big chief of the show, obtained permission from the state fair people to run Saturday, as the venture had not been a financial success. He thought another day with good patronage would help. At this internal troubles between the bosses of the show broke out and Rich and the Irwins pulled up their stakes.

Mr. Leary said last night that a good show would be offered. The announcement made yesterday at the grounds that the show would be continued one day was received with applause.

Continuation of cowboy sports and races at fair grounds. Consolation purses, open to all contestants not winners of principal prizes in the late tournament. Fast and funny program. General admission; Bleachers, 25c; grand stands and boxes, 50c.

## PYTHIANS GIVE BIG RECEPTION

Sisters of Hermion Temple Entertain Visiting Knights and G. A. R. Veterans.

To show the fraternal spirit and honor to the veterans visiting Salt Lake, a farewell reception was given Friday evening to all soldiers and visiting Knights of Pythias by the Pythian sisters of Hermion temple No. 8 at Castle hall. Fully 400 knights and ladies and war scarred soldiers attended and the evening was devoted to a splendid literary program and refreshments.

The spacious rooms at the hall were thrown open for the occasion and everything within the grasp of the Salt Lake women was done to impress a final good word and fellowship upon the visitors. The session took on a double meaning, and the spirit of brotherly love and honor to the men who were the blue asserted itself to the fullest.

The first part of the program opened with singing "America." A welcome address was made by Charles Jennings, who heartily extended to the guests the best the local people had arranged. Miss Mabel Trovitt and Miss Mary Sharron gave a piano duet. Short addresses were made by Major Tracy, Massachusetts; Henry P. Gillip, Michigan; D. C. Vinson, Nebraska; Edward Thompson and E. J. Freeman, Iowa, and George Crosby, Alabama. A patriotic reading was given by Mercedes Gilson, Salt Lake; Hazel Showell and Mildred Hedrick sang "Our Little Flag." Mrs. Samuel Randolph read "The Star-Spangled Banner," and a farewell selection was rendered by the orchestra.

Mrs. Margaret L. Jones, supreme representative of the Pythian sisters of Utah, presided.

The refreshments were ice cream, cake and punch. Since the rooms were so cool, many stayed and talked Pythianism and told war stories until late.

### HAWKEYE CLUB ACTS AS HOST

Visiting Iowans Are Entertained at Reception Given in Boston Building.

The reception given by the Hawkeye club of Iowa in honor of the veterans from Iowa and the other visiting veterans in the rooms of the club on the second floor of the Boston building, Friday, was a complete success. During the evening more than 200 visitors, besides the regular members of the club, were present at the reception.

Music for the evening was furnished by a quartette from the club. Mrs. Emma Ramsey Morris rendered two delightful solos. Two solos were sung by Mrs. J. H. Robinson, and vocal and instrumental music was furnished by Miss Adah Harris and her brother Corney, who are the children of Adjutant General Harris of the Inter-Mountain division of the G. A. R.

During the evening punch and cake were served. The committee in charge of the entertainment was: Mrs. G. G. Armstrong, Mrs. A. J. Weber, Mrs. W. A. Field, Mrs. H. W. Smith, Mrs. Andrew Howett, Mrs. C. Woods, Mrs. A. F. Sanford, and Messrs. George Sutherland, A. J. Weber and R. G. Steater.

### HELP MEXICAN REFUGEES

League Takes Steps to Prevent Extradition of Men Arrested in San Antonio.

Chicago, Aug. 13.—The Political Refugee Defense league, with headquarters here, is preparing to assist Joseph J. Rangel, a San Antonio, Tex., arrested in San Antonio on a charge of seeking to incite a revolution in Mexico, and today instructed its general counsel, Attorney Charles H. Soule, to proceed to Texas and combat extradition papers.

The league has already interested itself in the defense of Antonio De Araujo and others, who were arrested some months ago on a similar charge, and has appealed the case to the federal supreme court.

"The league fears that extradition would mean certain death for the accused," said Attorney Soule. "If the men are tried in the United States, where their alleged offenses occurred, they at least will have a fair trial, and the punishment in any event would not be the extreme penalty."

### TAKEN TO HOSPITAL

Bingham, Aug. 13.—Frank Ford, the proprietor of the New Grill cafe, was taken to St. Mark's hospital in Salt Lake this morning suffering from blood poisoning in his right arm. The infection was in one of the fingers of his right hand, spreading to the arm until it became quite serious.

It is estimated that the laundries of London use 750 tons of soap per year. A man's league has been formed at Darmstadt with the object of abolishing the custom of raising the hat.

Some undertakers whose customers are poor people are using coffins made of paper. The coffins are made in all styles of pressed paper pulp, just the same as the common paper buckets. When they are varnished and stained they resemble polished wood, and in point of durability it is claimed they are much better than wooden ones.

A watch two and seven-eighths inches in diameter, which shows what constellations are visible at any moment, the relative positions of the sun and moon, the season, the times of sunset, sunrise and high tide and the time of day, in addition to striking the hours and quarters, has been made by Messrs. J. Player & Son of Coventry. It took four years to make, and is valued at \$1,000. It is generally considered to be a great gift fixed between the church and the football pavilion, but a Strlingshire club may be said to have successfully bridged it. A religious body in the Longcroft district recently built a new church and their old premises being for sale they have been purchased by Longcroft Thistle F. C., and fitted up as a football pavilion.
